OTHER REQUIREMENTS

A. Graduate College:

1. The Manual of Rules and Regulations of the Graduate College states: “All doctoral programs will contain a minimum of 72 semester hours of graduate work. Of those 72 semester hours, at least 39 must be earned while registered in The University of Iowa Graduate College, and after formal program admission. For example, the academic registration requirement cannot be fulfilled by coursework completed under the non-degree or non-departmental student classification or with transfer credit.” PhD students in English reach those 72 hours through the combination of graded courses and independent studies as described above in the section on Commencing Study.

2. The Graduate College requires that a student must be registered in the semester in which he/she earns his/her degree.

B. English Department: Because most PhD candidates plan to pursue careers in teaching, the department strongly advises all doctoral candidates to gain experience, whether through college-level teaching done elsewhere or through teaching assistantships in Iowa’s Rhetoric Department and/or General Education Program. Training and experience in teaching significantly strengthen a student’s position in today’s job market and enhance intellectual engagement with the study of literature.
